

ALL HALLOWS GUILD
Stewards to the Gardens and Grounds of
Washington National Cathedral

I am not sure now how I would like to volunteer, but I am interested in learning more about All Hallows Guild's projects and their volunteer opportunities, plus more about the Guild's lectures and special programs.

Guild projects include:

In the Herb Cottage. Assist in the retail operation of this charming all-purpose gift shop. Call the Cottage for more information: 202-537-8982.

In the Bishop's Garden. Be a docent – conduct tours of this most intensely planted area on the Cathedral Close. Tours are conducted by trained docents April thru October. Prospective docents meet with other docents at the Herb Cottage on South Road the last Saturday of the Month starting in March at 10 am to walk the Gardens. To find out more about docent training, please call Fran Lewis 703 352-2429. **Be a Garden Volunteer** – We can always use more hands. Call the Horticulture manager, Maureen Alonso: 202 537-2203.

In the Olmsted Woods. Be a docent or a garden volunteer. Survey plants, birds and help the paid horticulturists with gardening work. Call the Horticulture Manager, Maureen Alonso: 202 537-2203.

At Flower Mart. Have fun with a variety of jobs both big & small on the days of the Mart or join a Committee – that interesting work goes on all year. Leave your name and phone number at the All Hallows Guild Office and your call will be returned: 202-537-2937.

In the All Hallows Guild Office. Secretarial work and data entry are needed. Office phone: 202-537-2937.

Tour & Tea Program. Serve either on Tuesday and Wednesday afternoon a delicious catered tea in the Cathedral Tower to people who have taken a reserved guided Cathedral Tour. Please leave your name and phone number at Guild Office: 202-537-2937.
